THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Hill, in the County of Merrimack, qualified to vote in town affairs:

You are hereby notified to meet at the New Town Hall, in said Hill on Tuesday, the 9th day of March next, at nine o'clock in the forenoon to act upon the following subjects:

1. To choose all necessary town officers for the ensuing year.

2. To raise such sums of money as may be necessary to defray town expenses for the ensuing year and to make appropriations for the same.

3. To authorize and empower the board of selectmen to borrow for the town by the issue of notes a sum not exceeding $8,000.00 in anticipation of taxes for the year 1943, said notes to be expressly payable from said taxes within one year from the date of their issuance; and to authorize the board of selectmen to determine the rate of interest on such notes and to provide for the sale thereof.

4. To authorize the sale or lease of real estate acquired by the town through tax collector's deeds for non-payment of taxes, and to authorize the board of selectmen to execute and deliver in the name of the town suitable deeds, or leases of such real estate, subject to such conditions and restrictions as may be voted by the meeting.

5. To see if the town will authorize the selectmen to renew from time to time the $42,000 outstanding loan under Chapter 63 of the Laws of 1933 as amended and validate said loan.

6. To transact any other business that may legally come before said meeting.

Given under our hands and seal this 23rd day of February, A. D. 1943.

THEODORE S. DICKERSON,
JOHN J. HUSE,
EDWARD D. AMSDEN,
Selectmen.

A true copy of Warrant—Attest:

THEODORE S. DICKERSON,
JOHN J. HUSE,
EDWARD D. AMSDEN,
Selectmen.

REPORT OF THE LOCAL DEFENSE COMMITTEE

The Civilian Defense Organization goes into its second year of existence with a total membership of 49 persons, an increase of seven over a year ago, despite the fact that several members have joined the armed forces and several have moved out of town.

During the year a number of local drills have been held with a high percentage of attendance. One local blackout drill and one state wide blackout was held and the results in Hill were very satisfactory.

A ten weeks First Aid Course was conducted by Mrs. Louise Norton of Andover and all who completed the course were awarded Standard Red Cross Certificates, after written and oral examinations. An Advanced Course was held and several were awarded Advanced Course Certificates.

Eleven members completed the Standard A. R. P. Course and have been certified by the State as authorized A. R. P. members.

The Red Cross Production Unit has cut and made 404 completed garments during the year. In addition, 70 knitted articles were made by people at home. Through the generous gift of Mr. Walter C. Jenkins of Hill, the sum of $25.00 was turned over to the Franklin Chapter for the purchase of kit bags to be given to soldiers embarking for foreign service. Mr. Jenkins has given other large sums to be used by the Local Branch at their discretion.

The citizens of Hill brought a large quantity of scrap metal and old rubber to the salvage pile, which was disposed of by the Salvage Committee.

Effective February 17, 1943, at 12:01 A. M., the Air Raid Signals were changed to conform to the State and

U. S. Army requirements. The signals at the village are now sounded on the Fire Alarm Siren. The signals for Hill Center will remain the same and be sounded on the bell at the Ionel Dickinson farm.

The Blue Warning Signal—One long two minute blast on the siren.

The Red Air Raid Signal—Rising and falling sound on the siren for two minutes.

The White All Clear—Slow tolling of the bell for two minutes.

The Local Defense Committee wish to extend their thanks to all those who have so faithfully carried out their assignments and have helped to insure the people of Hill against disaster.

Respectfully submitted,

CHARLES A. WILLARD,
Local Defense Chairman.
RUTH M. ROUNDS, Co-Chairman.
NELSON LIDEN, Assistant Chairman.

Local Defense Committee—Town of Hill, N. H.

Local Defense Chairman, Charles A. Willard.
Co-Chairman, Ruth M. Rounds.
Assistant Chairman, Nelson Liden.

Police Dept., Clifton Ackerman, Chief.
Fire Dept., Ervin Lang, Chief Engineer.

Forest Fire Dept., Chief Warden, Ervin Lang.
Highway Dept., Maurice Wheeler.
Red Cross Production Branch, Ruth S. Willard.

ETHEL WADLEIGH, Co-Chairman.

New Air Raid Signals at a Glance

WHEN YOU HEAR:

A long, steady blast on an air raid siren, horn, or whistle—This is the BLUE signal—This means enemy planes probably coming your way.

Blackout the lights in your home and business house. Either draw your blackout curtains or turn off the lights.

If you are in your automobile on the street or road: Switch your lights to the low beam—proceed wherever you were going—proceed with caution—start thinking about getting to a safe place. If you are walking: Continue to walk—Start thinking about where you will go if a raid signal follows.

WHEN YOU HEAR:

A series of short blasts on the air raid horn or whistle or a rising and falling sound on the air raid siren —This is the RED signal—This means enemy planes are overhead.

Keep your lights blacked out.

If you are riding in an automobile: Pull over to the side—stop—turn your lights out—get out—go to the nearest air raid shelter. If you are walking: Go to the nearest air raid shelter—get off the street.

If you are on a street car or bus: Get out—go to the nearest air raid shelter.

REMEMBER:

After the RED signal there will be a BLUE signal. This does not mean "All Clear."

This means enemy planes no longer overhead. Keep on the alert. Enemy planes may return.

YOU MUST:

Keep your lights blacked out.

If you were in your automobile prior to the "RED" signal, you may get back into it, turn the lights on the low beam, and proceed wherever you were going. Proceed with caution.

If you were walking prior to the "RED" signal, you may resume walking. If you were in a street car or bus, you may get back into it and proceed.

REMEMBER:

A BLUE signal MAY NOT ALWAYS PRECEDE A RED signal. There may not be time enough. But a BLUE signal always FOLLOWS a RED signal.

REMEMBER:

Whenever you leave your home or business house, the LIGHTS MUST BE BLACKED OUT or attended.

REMEMBER:

Unless your community has prescribed a signal for "ALL CLEAR" that is different from either the BLUE or the RED signal, the only thing that means "All Clear" is the switching on of street lights that were out during the BLUE (blackout), or an announcement transmitted by radio, telephone, or police, or other means.

Note: These regulations are the same in all states on the eastern coast from Maine to Florida. Please read and become familiar with them. They are for your safety.

SELECTMEN'S REPORT

INVENTORY

Valuation of the Town as by Invoice April 1, 1942

Lands and buildings	$ 555.511.00
16 horses	1,240.00

Loan and Trust Savings Bank, tax note at 1%	3,000.00
	$ 7,000.00

NOTICE—From a surplus in the treasury as of Feb. 1, 1942, $5,000.00 was paid to the Loan and Trust Savings Bank, thus cancelling a temporary loan made to cover the first payment on $40,000.00 water bonds. The United States of America has not paid for the water system in the Old Village. There-

fore, it was necessary to borrow this year again to meet the annual payment of $5,000.00 on water bonds. The net water bond indebtedness has, however, been reduced from $40,000.00 to $35,000.00 $ 5,000.00

If reference is made to the Relocation Account, it will be noticed that the Old Town Hall and Storehouse have been sold to the government. The proceeds of these sales were used to pay off $8,000.00 of the original $50,000.00 relocation note guaranteed by the State of New Hampshire. The note has been renewed for $42,000.00 pending such time as final settlement is reached with the government.

FOREST FIRE WARDEN'S REPORT

As the tempo of America's war effort mounts, demands upon its citizens for service become more numerous and exacting. To some comes the call to arms; others to public service and still others to defense industries and organizations. No one can possibly escape if he would. All must bear a proportionate share of the burden and the sacrifice. Strong first line fronts on land, sea and in the air are needed and can be developed and maintained **only if there is unity of purpose and common determination behind the home front.**

As men are drawn into service the burden of carrying on rests more heavily upon those who remain at home. Here, team work becomes increasingly important because of constantly diminishing manpower. A general breakdown in essential local activities and law observance can only be prevented by whole hearted cooperation between citizens and leaders.

There is no field of endeavor where cooperation and compliance with law and regulation are more needed than that of forest fire control. The most effective and economical effort in this field of activity is that of prevention. The old adage "an ounce of prevention" being "worth a pound of cure" was never more aptly applied than to forest fire control.

The forest fire warden is, by law, the designated local leader in forest fire matters. He exercises his prerogatives and discharges his duties as such under the direction of the District Chief and the State Forester. There was never a time when the warden needed each citizen's good will and cooperation more than he does now. With manpower waning, fire prevention, through efficient preparation, care with fire and compliance with all laws and regulations become a vital duty of citizenship.

For years efforts have been made to improve the usual bad spring and fall fire record. It was not until this year, however, that this problem was, to a great extent solved when permit burning was more rigidly restricted. Forest fire wardens were instructed not to issue permits except on rainy days and even then not to issue permits for burning in or near large slash or blow down areas. This plan worked out so well it has been decided to make it the established policy governing legal burning.

Everyone is well acquainted with the several civilian defense groups. Many of our fellow townsmen are serving in one or more of them. It is only recently, however, that the Office of Civilian Defense, recognizing the threat forest fires are to our timber facilities and resources and the possible disruption of war activities in critical areas, established the "Forest Fire Fighters Service." Its purpose is to provide fire fighters, equipped and trained, to strengthen the hand of the local forest fire warden; to acquaint the people in the area with their responsibility in fire prevention and suppression and to provide an opportunity for people in and near forested areas to participate in the war effort.

The State Forester is the State Coordinator; the District Chiefs are District Coordinators and the Warden is the Local Coordinator. The Forest Fire Fighters Service personnel will be registered under the direction of the Office of Civilian Defense; it will be trained by the warden and other assistants, aided by the District Chief. Individual citizens are urged to join this service group by applying to the forest fire warden or to the Civilian Defense Chairman. By becoming a part of this organization locally, individuals can contribute their share toward the protection of our forest resources which are so vital to the war job.

It is recommended that the small amount of $35.00 be made available for the purchase and keeping in repair

small forest fire hand tools. These small tools can be obtained through the State Department at one half the cost to the state.

During this critical period it is more than ever the part of good and prudent citizenship to remember

1. That permission to burn in or near woodland or where fire may be communicated to woodland must be secured from the forest fire warden when the ground is not covered with snow.
2. To be careful when smoking in or near the woods and not to throw or drop lighted cigars, cigarettes or matches.
3. To notify your local warden promptly of any fire you see.
4. That fire prevention is the best and cheapest fire insurance.
5. To be fire-minded; be careful; be cooperative and thus help your warden prevent forest fires. **This is patriotism at work.**

The 1942 fire record for our town follows:

Number of fires or investigations, none
Area burned, none
Number of permits issued, 34

Further detail data available upon request.

ERVIN E. LANG,
Forest Fire Warden.

AUDITOR'S REPORT

Having examined the accounts of the selectmen, treasurer, clerk, road agent, trust fund trustees, and other officers of the Town of Hill, I find them correctly cast and properly vouched, and the financial statement true.

CHARLES A. WILLARD,
Auditor.

Feb. 15, 1943.

STATEMENT OF THE VALUATION

April 1, 1942

	Real Estate	Personal Property
Ackerman, C. W., 1a lot No. 38 and house under construction $2,000, 26a Bruton place and camp $400	$ 2,400	
Addison, Charles, 61a Ferrin & Bartlett $1,400 5a Cilley lot $150	1,550	$ 245

SUPERINTENDENT'S REPORT

Hill schools, like most schools of the country, have been as active in such war effort as children of their grades and age could be expected to be.

War stamps have been and are being bought weekly. Through their reading of current events the upper grade pupils are kept well in touch with the war happenings. The geography study of Europe, Asia, Africa and Australia will mean much more to the pupils this year than ever before because of the war action in those places with which the pupils will be more familiar than commonly.

A realizing sense of what this war means to them has been developed to a greater or less extent in every child's mind. They feel some degree of satisfaction in feeling they are helping to win the war by their little activities. It is good for them to have a certain sense of responsibility in so large a thing as a global war.

We have attempted to introduce the use of "surplus commodities" to help in serving a school lunch; but surplus commodities are getting more and more scarce. Canned goods, especially soups, have been the most convenient thing to serve for a hot lunch. Now these goods are on the rationed list and are no longer "surplus commodities." The things left on the "surplus commodity" list are not well suited for serving in a school without special cooking equipment. Some apples have been received and distributed to the children at recess.

The "Penny-Milk" program is serving a useful purpose to all, as a part of the health program. The child pays one penny for a half pint of milk each day; the Agricultural Marketing Association pays the balance, or nearly that, to meet the dealer's price.

Bad colds, mumps and whooping cough disrupted

attendance in the schools during January. The lost time will necessitate closing schools later in June than usual.

May I ask the parents to cooperate in having their children plant gardens this next summer and see to it that they care for them. Let them have even a small plot in your garden if need be. It will help develop within them responsibility and at the same time they will be doing, and should be told they are doing, a government war service.

Hill is particularly fortunate just now in having teachers living in town. It is now almost impossible to secure a trained teacher for any school. Industry, with its high wages, is taking all the usual so-called surplus teachers. I consider the schools are in good hands and doing very acceptable work.

The teachers have not only rendered good service in school teaching, but in the several rationing projects they have been called upon to supervise.

Miss Moynihan, the school nurse, is doing her usual excellent work with the children.

With the large basement the new school has, it would be according to trends, if opportunity was given the older boys to express their creative sense through activity by hand work. A few hammers, saws, bit stocks and bits, draw shaver, chisels, planes, etc., placed at their disposal to use in making whatever they desired to make, would be a real educational feature. A teacher would not be necessary except for occasional check-up. The expense would not be large.

The schools must be kept open and active. The children of today are the citizens of tomorrow and the schools are in part responsible for the kind of citizens they will be. Keep the schools open for service.

FRED S. LIBBEY,
Superintendent of Schools.

Statistical Table

For year ending June 30, 1942

School	Total Enrollment	Boys	Girls	Average Daily Attendance	Average Daily Absence	Average Membership	Per cent of Attendance	Number of Tardinesses	Superintendent's Visits	Citizens' Visits	School Board Visits
Primary	19	8	11	12.08	.69	12.77	94.59	18	34	75	4
Grammar	25	14	11	17.91	1.46	19.37	92.46	25	34	77	5
Total	44	22	22	29.99	2.15	32.14	93.31	43	68	152	9

School Census for Hill, Sept. 30, 1942

Number of children between ages of 5 and 16	49
Number of children in local schools Sept. 30, 1942	36
Number of children in elementary schools outside	2
Number of children in high schools outside	11

Roll of Honor for Perfect Attendance

For the year: Beverly Dickinson.

For three terms: Nancy Boyce, Robert B. Morrill, Lucille Braley, Lilla Quimby.

For two terms: Henry Gignac, Evelyn Corliss.

For one term: Stanley Day, George Lang, John Quimby, Vivian Day, Elbert Dickinson, Wayne Day, Doreen Dickinson, Alberta Libbey, Theda Dickerson.

School Board's Estimate for 1943-1944

School Board's statement of amounts required to support public schools and meet other statutory obligations of the district for the fiscal year beginning July 1, 1943

	Elementary Schools	
Detailed statement of expenditures		
Teachers' salaries	$ 1,895.00	
Text books	100.00	
Scholars' supplies	100.00	
Janitor service	340.00	
Fuel	300.00	
Water, light, janitor's supplies	105.00	
Minor repairs and expenses	50.00	
Health supervision (medical inspection)	85.00	
Transportation of pupils	2,000.00	
Payment of elementary tuition	260.00	
Other special activities	10.00	
		$ 5,245.00
Other statutory requirements		
Salaries of district officers	$ 33.00	
Truant officer and school census	20.00	
Payment of tuition in high schools (estimated by board)	1,424.00	
Superintendent's excess salary (fixed by supervisory union)	175.00	
Per capita tax (report of state treasurer)	130.00	
*Other obligations imposed by law or established by district	110.00	
		$ 1,892.00
Total amount required to meet school board's budget		$ 7,137.00

Estimated income of district:		
Balance June 30, 1943 (estimate)	$ 25.00	
State aid	None	
Dog tax (estimate)	75.00	
Deduct total estimated income (not raised by taxation)		$ 100.00
Assessment required to balance school board's budget		$ 7,037.00
Special appropriation proposed		
† To cover deficit of last year		223.52
Total assessment required to cover budget and appropriations		$ 7,260.52

GRACE W. COLBY,
MILDRED T. MORRILL,
NELSON LIDEN,
School Board.

Hill, N. H., February, 1943.

---

* This item includes legal obligations such as judgments, orders of State Board of Health on complaint, necessary rent and costs of authorized administration and insurance. Repairs in excess of 5% of the school money, new equipment and major construction must be raised under special articles in the warrant.

† Deficit this year of $223.52 was due to extra work done on new school building. All bills were paid by school board but last year's budget did not call for the special appropriation to cover this extra cost.

FINANCIAL REPORT

Fiscal year beginning July 1, 1941, and ending June 30, 1942

RECEIPTS

From state and federal aid	
Equalization fund for elementary schools	$ 854.16

July 17, 1942.

Auditor's Certificate

This is to certify that I have examined the books, vouchers, bank statements and other financial records of the school district of Hill, N. H., of which the above is a true summary for the fiscal year ending June 30, 1942, and find them correct in all respects.

CHARLES A. WILLARD,
Auditor.

July 17, 1942.
